

3 BDRM | 3 BATH | 1660 SQ FT

EBB BUILDING - AXIS

THE CURRENT
OF THE FOX | Kimberly

At the center of it all, this spectacular three bedroom apartment brings new meaning to waterfront living. Enter the grand hallway to be immediately welcomed with a luxurious living space, featuring an open concept kitchen and an expansive living room with a gas fireplace in the corner. Venture out onto the near thirty-foot balcony to revel in the 180-degree views of the Fox River. Back inside, enjoy exquisite river-views at a large granite-topped island in an artistically-designed kitchen equipped with high-

end cabinetry and a spacious pantry. Two of the three bedrooms site on opposite sides of the living area, each boasting oversied windows viewing the water as well as walk-in closets. The master suite contains an additional linen closet and an extended sit-at double granite vanity. The third bedroom sits privately off the entry of the unit, housing it's own full bathroom equipped with plenty of cabinet storage space. The laundry room sits conveniently near the entry and offers a tremendous amount of space with a full-sized washer and dryer, as well as plenty of storage

space. Ten-foot high volume ceilings and beautiful hardwood-style flooring round out this exclusive three bedroom apartment.
