OASIS BUILDING - AXIS EAST

THE CURRENT

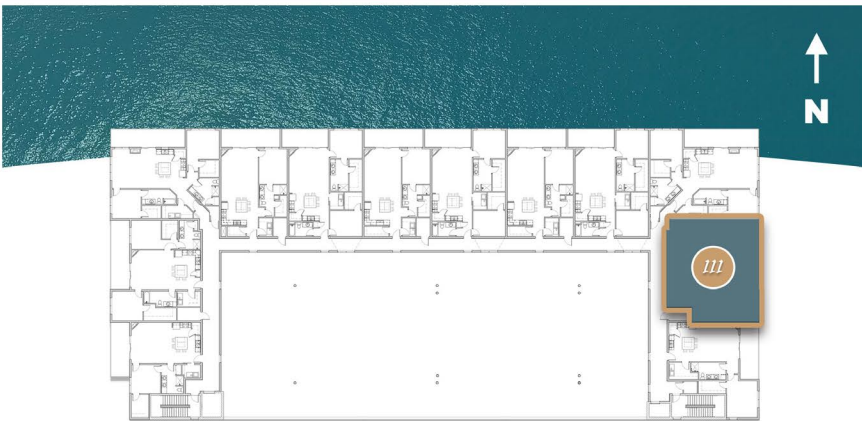

OF THE FOX | Kimberly

A stunning waterfront view greets you as you enter this open-concept two-bedroom, complete with ten-foot soaring ceilings. The picturesque kitchen with its gorgeous eat-at granite island flows seamlessly into the grand living area, cornered with a gas fireplace. All focal points remain centered on the full-view glass patio doors, leading to an expansive 28-foot balcony overlooking the rushing Fox River. The two bedrooms are separated for privacy; each on either side of the living space with convenient bathroom access. Both bedrooms boast extensive walk-in closets

and breathtaking river-views. The elegant master bedroom includes large square-footage and spectacular sunrise perspectives. Its private ensuite bathroom is enhanced with a double granite vanity, sit-at counter, linen closet, and spacious shower. Just off the main living area conveniently resides the laundry room, fully furnished with a full-sized washer and dryer. The adjacent second bathroom offers a striking granite vanity upgraded with an extended sit-

at section, as well as a roomy shower/tub combination. Beautiful hardwood-style flooring radiates throughout this fluid two-bedroom.
