OASIS BUILDING - UPRIVER

This spectacular two-bedroom apartment swells with an abundance of natural light, advantageously situated on the corner of the building. Enter the grand hallway to be immediately welcomed with a luxurious living space, complete with an open concept kitchen and living room. Enjoy exquisite river-views at a large granite-topped island in an artistically-designed kitchen equipped with high-end cabinetry and a corner pantry.

Flow through to the large living area centered around a gas fireplace in between two sets of full-sized glass patio doors. Venture out onto the near twenty-nine-foot balcony to revel in the 180-degree views of the Fox River. Back inside, the two bedrooms privately reside on both sides of the main living space, each room boasting a unique waterfront view. Both bedroom suites offer immense walk-in closets and secluded bathroom retreats; with one bathroom finished with a shower/tub combination and the master bath showcasing a double granite vanity with an extended counter and a spacious shower. A laundry room sits conveniently near the entry with a full-sized washer and dryer, as well as plenty of storage space. Ten-foot high volume ceilings and beautiful hardwood-style flooring round out this exclusive corner apartment.
